

Work at Home Software

Page 1 of 1

SRS (Software Resource & Services), in cooperation with the University System of Georgia is authorized to provide specific software packages for work at home purposes to eligible employees. Some packages are available only as physical discs. Others are available only as digital downloads. For more information, view [SRS Personal FAQs](#).

Terms and Conditions for Digital Downloads:

- Maple is only available to VSU faculty and staff.
 - Autodesk Design Software and Mathematica are available to faculty and staff of the university.
 - Students can obtain Autodesk or Mathematica software at no cost through the software website in compliance with their licensing agreement.
 - No technical support is provided by Valdosta State University in association for this software.
 - All users are required to remove the software from their computers immediately upon the expiration of our license with each respective company.
 - Faculty and staff are required to remove the software from their computers immediately upon the termination of their employment with the university.
 - Students are required to remove the software from their computers immediately upon the termination of their enrollment with the university.
 - Work-at-home software should only be used for professional purposes and not personal purposes.
-

Terms and Conditions for Physical Discs:

- Work at home software is only available to VSU faculty and staff.
- SRS only accepts Visa and Mastercard payments.
- Initial price listings do not include shipping charges. Sales tax may also apply.
- Software can only be returned if the package is unopened.
- Operating systems, such as Windows 7, are only available as upgrades to an existing operating system.
